To Whom It May Concern,

SFI Compliance provides support and oversight to G2 Concrete, LLC to help their operations meet and exceed industry best practices and applicable regulatory requirements.

SFI Compliance delivers the following services as part of our ongoing engagement with G2 Concrete, LLC:

- Development of a new Written Safety Programs, customized to the scope and nature of their work followed by Site-Specific Safety Programs for their projects.
- Periodic safety training on an as needed basis.
- Regular Safety Inspections help identify hazards early, strengthen compliance, and support a safer, more efficient jobsite through timely corrective actions and continuous improvement.

Through this partnership, G2 Concrete, LLC demonstrates a consistent and measurable investment in workplace safety, worker well-being, and regulatory compliance. Their proactive engagement with third-party oversight further reflects their commitment to delivering projects safely, efficiently, and responsibly.

If you have any questions regarding the safety services provided or require additional verification, please feel free to reach out to discuss.

Sincerely,

Dan Johnson, CSP
Managing Partner
